# Independent Auditor's Report to the Shareholders of Bank Asia PLC.

## Report on the Audit of the Consolidated and Separate Financial Statements

### Opinion

We have audited the consolidated financial statements of Bank Asia PLC. and its subsidiaries (the Group) as well as the separate financial statements of Bank Asia PLC. (the Bank), which comprise the consolidated and separate balance sheets as at 31 December 2025, and consolidated and separate profit and loss accounts, consolidated and separate statements of changes in equity and consolidated and separate cash flows for the year then ended, and notes to the consolidated and separate financial statements, including material accounting policy information.

In our opinion, the accompanying consolidated and separate financial statements give a true and fair view of the consolidated financial position of the Group and the separate financial position of the Bank as at 31 December 2025, and of its consolidated and separate financial performance and its consolidated and separate cash flows for the year then ended in accordance with Rules and Regulation issued by Bangladesh Bank and IFRS Accounting Standards as issued by the International Accounting Standards Board (IASB) as explained in note # 2.

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), as applicable to audits of the financial statements of public interest entities, together with the ethical requirements that are relevant to audits of the financial statements of public interest entities in Bangladesh. We have also fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter

We draw attention to note 2 to the financial statements where management has explained the basis of preparation of financial statements including compliance with Rules and Regulations issued by Bangladesh Bank on classification of loans and advances and required impairment provision. Our opinion is not modified in respect of this matter.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated and separate financial statements of the current period. These matters were addressed in the context of our audit of the consolidated and separate financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below our description of how our audit addressed the matter is provided in that context.

Description of key audit matters	Our response to key audit matters
<p><b>Measurement of provision for loans and advances</b></p> <p>All scheduled banks in Bangladesh shall follow Bangladesh bank regulation on loan approval and disbursement, loan classification and maintenance of required provision, interest waiver and transfer to interest in suspense.</p> <p>The Bank calculates provision for loans and advances/investments by considering various factors such as rate of provision, loan category, expiry date, outstanding balance, interest suspense amount, value of eligible collateral as per BRPD circular no. 15 dated 27 November 2024 and its subsequent amendments.</p> <p>Due to the current macro-economic situation of the Country and global geo-political events, non-performing loans across banking industry significantly increased during last couple of years. In order to support businesses in overcoming economic challenges and continue with operation, Bangladesh Bank provided policy support to borrowers who become classified/ non-performing through BRPD Circular No. 07 dated 16 September 2025, including additional relief measures approved by the relevant BRPD committee on a case-by-case basis. Significant proportion of the Bank's classified borrowers availed these special rescheduling and policy support facilities and were consequently reported as unclassified as at the reporting date.</p> <p>Loan write-off involves significant judgment in determining eligibility, adequacy of provisioning and compliance with regulatory requirements. The Bank executed write-offs in accordance with Bangladesh Bank BRPD Circular No. 04 dated 18 February 2024, as subsequently updated by BRPD Circular No. 08 dated 19 October 2025.</p>	<p>We evaluated the design and implementation of relevant controls, checked operating effectiveness of selected key controls, and on sample basis conducted substantive testing of the following:</p> <ul style="list-style-type: none"> <li>• Credit appraisal, loan sanction and disbursement procedures, monitoring and provisioning process;</li> <li>• Identification of loss events, including early warning and default warning indicators;</li> <li>• Reviewed the quarterly Classification of Loans (CL);</li> <li>• Processes for loan classification, determination of required provisions on loans, advances in accordance with applicable Bangladesh Bank regulations;</li> <li>• Compliance with applicable laws and regulations of Bangladesh Bank relating to loan sanctioning and disbursement during the year;</li> <li>• Adequacy of the general and specific provisions in line with related Bangladesh Bank guidelines;</li> <li>• Assessment of methodologies on which the provision amounts are based, recalculated the provisions and tested the completeness and accuracy of the underlying information;</li> </ul>

Description of key audit matters	Our response to key audit matters
<p>To maintain provisions for non-performing loans in line with the central bank's guidelines, the Bank identifies impaired loan accounts and calculates required provisions manually. Furthermore, the process for calculating the provision for loans and advances/investments portfolio associated with credit risk is significant and complex.</p> <p>At year end, the Group reported total gross loans and advances of BDT 298.25 billion (2024: BDT 296.53 billion) and provision for loans and advances of BDT 30.10 billion (2024: BDT 29.55 billion). On the other hand, the Bank reported loans and advances of BDT 294.68 billion (2024: 293.72 billion) on a solo basis.</p> <p>Due to these factors, we have considered measurement of provision for loans, advances and leases as significant risk as well as a key audit matter.</p>	<ul style="list-style-type: none"> <li>• Process of loans and advances/investments write off, recoveries from written off loans and advances/investments, loans and advances/investments re-schedule and re-structure, calculation of interest /profit waiver and suspense as per directions provided by Bangladesh Bank;</li> <li>• Compliance with Bangladesh Bank BRPD Circular No. 04 dated 18 February 2024, as amended by BRPD Circular No. 08 dated 19 October 2025, with particular focus on eligibility criteria, approval hierarchy and procedural requirements for loan write-off;</li> <li>• Appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines;</li> <li>• Finally, compared the amount of loan classification and provision requirement as determined by the Bangladesh Bank inspection team via letter no BSD-12/68/2026-398 dated 28 April 2026 after discussion of the Tripartite Meeting to the actual amount disclosed in the financial statements.</li> </ul>
<b>See notes no. 8(a) and 13.1.2(a) to the financial statements</b>	
<b>Recognition of interest income on loans and advances</b>	
<p>Recognition of interest income has significant impact on financial statements. Measurement of interest income involve complex IT environments and also require judgment in case of overdue and/or distressed borrower.</p> <p>We identify recognition of interest income from loans, advances and leases as a key audit matter because this is one of the key performance indicators of the Bank and therefore there is an inherent risk of fraud and error in recognition of interest by management to inflate profit/ meet specific targets or expectations.</p>	<p>We tested the design and implementation of key controls over recognition and measurement of interest on loans, advances and leases.</p> <p>We performed test of operating e-effectiveness on automated control in place to measure and recognize interest income.</p> <p>We also performed substantive procedures on test basis to check whether interest from selected borrower accounts are properly measured and recognized in income.</p> <p>We also checked a sample of interest waiver given during the period to assess whether proper approval is obtained.</p> <p>We reviewed on test basis whether transfer to/from interest in suspense account are made in accordance with the Bangladesh Bank's guidelines.</p> <p>We assessed the appropriateness and presentation of disclosure against relevant accounting standards and Bangladesh Bank guidelines.</p>
<b>See note no. 20 and 20.1 to the financial statements</b>	

<b>Valuation of investments in government and other securities</b>	
<p>Investments in government and other securities constitute significant portion of the Group and Bank's asset portfolio.</p> <p>The classification and measurement of government securities, especially T-Bill and T-Bond require judgment and complex estimates. Also based on classification of government securities into HTM and HFT category, different accounting should be followed.</p> <p>In the absence of a quoted price in an active market, the fair value of T-Bills and T-Bonds is determined using complex valuation techniques which may take into consideration direct or indirect unobservable market data and complex pricing models which require an elevated level of judgment.</p> <p>Similarly, due to the absence of quoted price/ active market, valuation/ impairment assessment of investments in other unquoted securities also require significant judgment.</p>	<p>We assessed the processes and controls put in place by the Bank to identify and confirm the existence of treasury bills and bonds.</p> <p>We obtained an understanding, evaluated the design and tested the operating effectiveness of the key controls over the valuation process of unquoted investments, including controls over market data inputs into valuation models, model governance and valuation adjustments.</p> <p>We tested a sample of the valuation models and the inputs used in those models, using a variety of techniques, including comparing inputs to available market data.</p> <p>In applicable cases, to determine fair value/ assess impairment of investments in unquoted securities, we considered latest audited financial statements, repayment history and information of the issuer available in public domain.</p> <p>Finally assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.</p>

Description of key audit matters	Our response to key audit matters
<b>See note no. 7 to the financial statements.</b>	
<b>Legal and regulatory matters</b>	
<p>We focused on this area because the Bank and its subsidiaries (the “Group”) operate in a legal and regulatory environment that is exposed to significant litigation and similar risks arising from disputes and regulatory proceedings. Such matters are subject to many uncertainties and the outcome may be difficult to predict.</p> <p>These uncertainties inherently affect the amount and timing of potential outflows with respect to the provisions which have been established as other contingent liabilities.</p> <p>Overall, the legal provision represents the Group’s and the Bank’s best estimate for existing legal matters that have a probable and estimable impact on the Group’s financial statement.</p>	<p>We obtained an understanding, evaluated the design and tested the operational effectiveness of the Bank’s key controls over the legal provision and contingencies process.</p> <p>We enquired to those charged with governance to obtain their view on the status of all significant litigation and regulatory matters.</p> <p>We enquired of the Bank’s internal legal counsel for all significant litigation and regulatory matters and inspected internal notes and reports.</p> <p>We assessed the methodologies on which the provision amounts are based, recalculated the provisions and tested the completeness and accuracy of the underlying information.</p> <p>We also assessed the Bank’s provisions and contingent liabilities disclosure.</p>
<b>IT systems and controls</b>	
<p>Our audit procedures have a focus on IT systems and controls due to the pervasive nature and complexity of the IT environment; the large volume of transactions processed in numerous locations daily and the reliance on automated and IT dependent manual controls.</p> <p>Our areas of audit focus included user access management, developer access to the production environment and changes to the IT environment. These are key to ensuring IT dependent and application-based controls are operating effectively.</p>	<p>We conducted testing to assess the design and operating effectiveness of the Bank’s IT access controls over critical financial reporting systems.</p> <p>Our audit procedures included evaluating IT general controls, particularly focusing on logical access, change management and IT operational controls.</p> <p>We tested whether requests for access to systems were appropriately reviewed and authorized, ensuring that only authorized personnel had access to sensitive financial data.</p> <p>Additionally, we examined the Bank’s periodic review process for access rights, revocation and assessed whether changes to systems were properly approved and authorized to prevent unauthorized modifications.</p> <p>As part of our audit, we also evaluated the Bank’s control environment concerning system interfaces, configurations, and application-layer controls that were identified as critical to financial reporting accuracy. Given the significance of IT application controls in ensuring the integrity of automated financial processes, we tested key application-based controls, including system-generated reports, automated journal entries, and validation mechanisms that support transaction processing. This involved assessing whether these automated controls were functioning as intended and whether their outputs were reliable for financial reporting purposes.</p> <p>Furthermore, we performed detailed tests on IT general controls to assess the effectiveness of application development processes, database security, and hosting platform management.</p> <p>We also evaluated the segregation of incompatible duties relevant to application and database change management to determine whether adequate controls were in place to prevent unauthorized access or modifications.</p>
<b>Legal and regulatory matters</b>	
<p>We focused on this area because the Bank and its subsidiaries (the “Group”) operate in a legal and regulatory environment that is exposed to significant litigation and similar risks arising from disputes and regulatory proceedings. Such matters are subject to many uncertainties and the outcome may be difficult to predict.</p> <p>These uncertainties inherently affect the amount and timing of potential outflows with respect to the provisions which have been established as other contingent liabilities.</p>	<p>We obtained an understanding, evaluated the design and tested the operational effectiveness of the Bank’s key controls over the legal provision and contingencies process.</p> <p>We enquired to those charged with governance to obtain their view on the status of all significant litigation and regulatory matters.</p> <p>We enquired of the Bank’s internal legal counsel for all significant litigation and regulatory matters and inspected internal notes and reports.</p>

Description of key audit matters	Our response to key audit matters
Overall, the legal provision represents the Group's and the Bank's best estimate for existing legal matters that have a probable and estimable impact on the Group's financial statement.	We assessed the methodologies on which the provision amounts are based, recalculated the provisions and tested the completeness and accuracy of the underlying information.  We also assessed the Bank's provisions and contingent liabilities disclosure.

### Other information

Management is responsible for the other information. The other information comprises all of the information in the Annual Report other than the consolidated and separate financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated and separate financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls

Management is responsible for the preparation of consolidated and separate financial statements that give a true and fair view in accordance with Rules and Regulation issued by Bangladesh Bank and IFRS Accounting Standards as issued by the IASB as explained in note 2 and for such internal control as management determines is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act, 1991 and the Bangladesh Bank Regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Group and the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the consolidated and separate financial statements, management is responsible for assessing the Group's and the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's and the Bank's financial reporting process.

### Auditors' Responsibilities for the Audit of the Consolidated and Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the group as a basis for forming an opinion on the group financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated and separate financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on other Legal and Regulatory Requirements**

In accordance with the Companies Act 1994, the Bank Companies Act 1991 and the Rules and Regulations issued by Bangladesh Bank, we also report that:

- (i) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- (ii) In our opinion, proper books of account as required by law have been kept by the Group and the Bank so far as it appeared from our examination of those books;
- (iii) The records and statements submitted by the branches have been properly maintained and consolidated in the financial statements;
- (iv) The balance sheet and profit and loss account of the Bank dealt with by the report are in agreement with the books of account and returns;
- (v) The consolidated financial statements of the Group and the separate financial statements of the Bank have been drawn up in conformity with prevailing rules, regulations and accounting standards as well as related guidance issued by Bangladesh Bank;
- (vi) Adequate provisions have been made for advance and other assets which are in our opinion, doubtful of recovery;
- (vii) Based on our checking of sample, no advance or loan in excess of the amount determined by Bangladesh Bank from time to time has been sanctioned or allowed;
- (viii) To the extent noted during the course of our audit work performed on the basis stated under the Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements section in forming the above opinion on the consolidated financial statements and considering the reports of the Management to Bangladesh Bank on anti-fraud internal controls and instances of fraud and forgeries as stated under the Responsibilities of Management and Those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls:
  - (a) Internal audit, internal control and risk management arrangements of the Group as disclosed in the financial statements appeared to be materially adequate;
  - (b) Nothing has come to our attention regarding material instances of forgery or irregularity or administrative error and exception or anything detrimental committed by employees of the Group and its related entities;
- (ix) Financial statements for the year ended 31 December 2025 of subsidiary companies of the Bank namely Bank Asia Securities Limited, BA Exchange Company (UK) Limited and BA Express USA Inc have been audited by MABS & J Partners Chartered Accountants, ACN Accountants and MONIS SISSIQUI Certified Public Accountants respectively. These accounts have been properly reflected in the consolidated financial statements;
- (x) The information and explanations required by us have been received and found satisfactory;
- (xi) We have reviewed over 80% of the risk weighted assets of the Bank and spent over 12,200 person hours;
- (xii) Capital to Risk-weighted Asset Ratio (CRAR), Cash Reserve Ratio (CRR) and Statutory Liquidity Ratio (SLR) as required by Bangladesh Bank has been maintained adequately as at 31 December 2025;
- (xiii) As part of our going concern assessment, we reviewed maturity mismatch between assets and liabilities which may adversely affect the Bank's subsequent liquidity position; and
- (xiv) Non-banking assets have been accounted in conformity with Bangladesh Bank guidelines.

Bank have departed from certain contradictory requirements of IFRSs in order to comply with the rules and regulations of Bangladesh Bank which are disclosed below:

#### i) **Presentation of financial statements**

IFRS: As per IAS 1, a complete set of financial statements comprises a statement of financial position, a statement of profit or loss and other comprehensive income, a statement of changes in equity, a statement of cash flows, notes comprising a summary of significant accounting policies and other explanatory information and comparative information. IAS 1 has also stated the entity to disclose assets and liabilities under current and non-current classification separately in its statement of financial position.

Bangladesh Bank: A format of financial statements (i.e. balance sheet, profit and loss account, cash flows statement, changes in equity, liquidity statement) is prescribed in the "First Schedule" of section 38 of the Bank Company Act 1991 (amended up to 2023) and BRPD circular no. 14 dated 25 June 2003 of Bangladesh Bank. Assets and liabilities are not classified under current and non-current heading in the prescribed format of financial statements.

#### ii) **Investment in shares and securities**

IFRS: As per requirements of IFRS 9 investment in shares and securities generally falls under "Amortized cost", "fair value through profit or loss" or "fair value through other comprehensive income" where any change in the fair value at the year-end is taken to profit or loss account or other comprehensive income/revaluation reserve respectively.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003 investments in quoted shares and unquoted shares are revalued at the year end at market price and as per book value of last audited balance sheet respectively. As per DOS circular no. 01 dated May 24, 2023, provision for diminution of value of quoted equity shares, bonds, debentures, perpetual instruments and mutual funds have made on netting off gain and provision for diminution of value of unquoted equity shares and mutual funds (open-end) have made on the basis of net worth (Assets-Liabilities) of shares and surrender price of mutual funds respectively. Provision for Non-convertible cumulative preference share/ bond is required where dividend is not received as per agreement.

#### iii) **Revaluation gain/loss on government securities**

IFRS: As per requirement of IFRS 9, where T-bills and T-bonds will fall under the category of "Held for Trading" (HFT), any change in the fair value of held for trading securities is recognized through profit or loss account.

T-bills/bonds designated as held to maturity are measured at amortized cost method and interest income is recognized through the profit & loss account.

Bangladesh Bank: According to DOS circular no. 05 dated 26 May 2008 and subsequent clarification in DOS circular no. 05 dated 28 January 2009 loss on revaluation of Government securities (T-bill/T-bond) which are categorized as Held for Trading (HFT) will be charged through profit and loss account, but any gain on such revaluation should be recorded under Revaluation Reserve Account. T-bills designated as held to maturity are measured at amortized cost method but interest income/gain is recognized through reserve.

#### iv) **Provision on loans and advances**

IFRS: As per IFRS 9, an entity should start the impairment assessment by considering whether objective evidence of impairment exists for financial assets that are individually significant. For financial assets which are not individually significant, the assessment can be performed on an individual or collective (portfolio) basis.

Bangladesh Bank: Bangladesh Bank BRPD circular no. 14 dated 23 September 2012, Bangladesh Bank BRPD circular no. 19 dated 27

## Notes to the financial statements

December 2012, Bangladesh Bank BRPD circular no. 05 dated 29 May 2013, Bangladesh Bank BRPD circular no. 16 dated 18 November 2014, Bangladesh Bank BRPD circular no. 12 dated 20 August 2017, Bangladesh Bank BRPD circular no. 15 dated 27 September 2017, Bangladesh Bank BRPD circular no. 07 dated 21 June 2018, Bangladesh Bank BRPD circular no. 13 dated 18 October 2018, Bangladesh Bank BRPD circular no. 16 dated 21 July 2020, Bangladesh Bank BRPD circular no. 52 dated 20 October 2020, Bangladesh Bank BRPD circular no. 56 dated 10 December 2020, BRPD 3 dated 31 January 2021, BRPD 4 and 5 dated 24 March 2021, BRPD 13 dated 27 June 2021, BRPD 19 dated 26 August 2021 and BRPD 53 dated 30 December 2021, Bangladesh Bank BRPD circular no. 14 dated 22 June 2022, BRPD circular no. 51 dated 18 December 2022 and BRPD circular no. 53 dated 22 December 2022, BRPD circular letter no. 03 dated 02 February 2023, BRPD circular no. 06 dated 25 April 2023, BRPD circular no. 09 dated 08 April 2024, BRPD Circular No. 05 dated 25 June 2025, BRPD Circular Letter No. 29 dated 21 December 2025.

### v) **Other comprehensive income**

IFRS: As per IAS 1 Other Comprehensive Income (OCI) is a component of financial statements or the elements of Other Comprehensive Income are to be included in a Single Other Comprehensive Income (OCI) Statement.

Bangladesh Bank: Bangladesh Bank has issued financial templates for financial statements which will strictly be followed by all banks. The templates of financial statements issued by Bangladesh Bank do not include Other Comprehensive Income or the elements of Other Comprehensive Income allowed to include in a Other Comprehensive Income (OCI) Statement. As such the company does not prepare the other comprehensive income statement. However elements of OCI, if any, are shown in the statements of changes in equity. Furthermore, the above templates require disclosure of appropriation of profit on the face of Profit and Loss Statement.

### vi) **Financial instruments – presentation and disclosure**

In several cases Bangladesh Bank guidelines categorize, recognize, measure and present financial instruments differently from those prescribed in IFRS 9. As such some disclosure and presentation requirements of IFRS 7, IFRS 9 and IAS 32 is not made in the accounts.

### vii) **Repo transactions**

IFRS: When an entity sells a financial asset and simultaneously enters into an agreement to repurchase the asset (or a similar asset) at a fixed price on a future date (repo or stock lending), the arrangement is accounted for as a deposit, and the underlying asset continues to be recognized in the entity's financial statements. This transaction will be treated as loan and the difference between selling price and repurchase price will be treated as interest expense.

Bangladesh Bank: As per DOS Circular letter no. 06 dated 15 July 2010 and subsequent clarification in DOS Circular No. 02 dated 23 January 2013, when a bank sells a financial asset and simultaneously enters into an agreement to repurchase the asset (or a similar asset) at a fixed price on a future date (repo or stock lending), the arrangement is accounted for as a normal sales transactions and the financial assets are derecognized in the seller's book and recognized in the buyer's book.

### viii) **Financial guarantees**

IFRS: As per IFRS 9, financial guarantees are contracts that require an entity to make specified payments to reimburse to the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the terms of a debt instrument. Financial guarantee liabilities are recognized initially at their fair value, and the initial fair value is amortized over the life of the financial guarantee. The financial guarantee liability is subsequently carried at the higher of this amortized amount and the present value of any expected payment when a payment under the guarantee has become probable. Financial guarantees are included within Other Liabilities.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003 financial guarantees such as L/C, L/G will be treated as Off-Balance Sheet items. No liability is recognized for the guarantee except the cash margin and 1% general provision for contingent liabilities as guided by Bangladesh Bank circular and circular letter.

### ix) **Cash and cash equivalent**

IFRS: Cash and cash equivalent items should be reported as cash item as per IAS 7.

Bangladesh Bank: As per BRPD Circular 14 dated 25 June 2003, Cash and cash-equivalents consist of cash with Bangladesh Bank, with its agent bank(s), government securities (prize bond) and deposits with other banks.

### x) **Non-banking asset**

IFRS: No indication of Non-banking asset is found in any IFRS.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003 there must exist a face item named Non-banking asset.

### xi) **Cash flow statement**

IFRS: Cash flow statement can be prepared either in direct method or in indirect method as per IAS 7 of Statement of Cash Flows. The presentation is selected to present these cash flows in a manner that is most appropriate for the business or industry. The method selected is applied consistently.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003 cash flow is the mixture of direct and indirect method.

### xii) **Balance with Bangladesh Bank: (CRR)**

IFRS: Balance with Bangladesh Bank should be treated as other asset as it is not available for use in day to day operations as per IAS 7.

Bangladesh Bank: Balance with Bangladesh Bank is treated as cash and cash equivalents.

## Notes to the financial statements

### xiii) **Presentation of intangible asset**

IFRS: Intangible asset must be identified and recognized, and the disclosure must be given as per IAS 38 "Intangible Assets"

Bangladesh Bank: There is no requirement for regulation of intangible assets in BRPD circular no. 14 dated 25 June 2003.

### xiv) **Off-balance sheet items**

IFRS: There is no concept of off-balance sheet items in any IFRS; hence there is no requirement of disclosure of off-balance sheet items.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003 off balance sheet items must be disclosed separately in face of balance sheet. Accordingly the Bank has recognized the following off balance sheet items:

- Acceptances and endorsements
- Letters of guarantee
- Irrevocable letters of credit
- Bills for collection
- Foreign exchange contracts

### xv) **Disclosure of appropriation of profit**

IFRS: There is no requirement to show appropriation of profit in the face of statement of comprehensive income.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003, an appropriation of profit should be disclosed in the face of profit and loss account.

### xvi) **Loans and advance net of provision**

IFRS: Loans and advances should be presented net of provisions.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003 provision on loans and advances are presented separately as liability and cannot be netted off against loans and advances.

### xvii) **Recognition of Interest in Suspense**

IFRS: Loans and advances to customers are generally classified as "loans and receivables" as per IFRS 9 and interest income is recognised through effective interest rate method over the term of the loan. Once a loan is impaired, interest income is recognised in profit and loss account on the same basis based on revised carrying amount.

Bangladesh Bank: As per BRPD Circular No. 14 dated 23 September 2012, once a loan is classified, interest on such loans are not allowed to be recognised as income, rather the corresponding amount needs to be credited to an interest in suspense account, which is presented as liability in balance sheet.

### xviii) **Uniform Accounting Policy**

In several cases Bangladesh Bank and Bangladesh Securities and Exchange Commission guidelines categorize, recognize, measure and present financial instruments differently from those prescribed in IFRS 10. As such some disclosure, presentation and measurement requirements of IFRS 10 cannot be made in financial statements.

(Also refer to note 3.20 Compliance of IFRSs)

## 2.2 Basis of measurement

### 3.1.7 Impairment of financial assets

An asset is impaired when its carrying value exceeds its recoverable amount as per IAS 36 "Impairment of Assets". At each balance sheet date, Bank Asia PLC. assesses whether there is objective evidence that a financial asset or a group of financial assets i.e, loans and advances, off balance sheet items and investments is impaired. A financial asset or group of financial assets is impaired and impairment losses are incurred if -

there is objective evidence of impairment as a result of a loss event that occurred after the initial recognition of the asset up to the balance sheet date;

the loss event had an impact on the estimated future cash flows of the financial asset or the group of financial assets; and a reliable estimate of the loss amount can be made.

In the event of impairment loss, the Bank reviews whether a further allowance for impairment should be provided in the profit and loss statement in addition to the provision made based on Bangladesh Bank guidelines or other regulatory requirements.

### 3.1.8 Property, plant and equipment Recognition and measurement

All fixed assets are stated at cost less accumulated depreciation as per IAS 16 "Property, Plant and Equipment". Land is measured at cost.

The cost is the amount of cash or cash equivalents paid or the fair value of the other consideration given to acquire an asset at the time of its acquisition or construction or, where applicable, the amount attributed to that asset when initially recognised in accordance with the specific requirements of the IFRS.

The cost of an item of property, plant and equipment is recognised as an asset if

## Notes to the financial statements

it is probable that future economic benefits associated with the item will flow to the entity; and the cost of the item can be measured reliably.

The cost of an items of property, plant and equipment comprises:

- (a) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates
- (b) any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management
- (c) the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which an entity incurs either when the item is acquired or as a consequence of having used the item during a particular period for purpose other than to produce inventories during that period.

### Subsequent costs

The cost of replacing part of an item of fixed assets is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The carrying amount of the replaced part is derecognised. The costs of the day-to-day servicing of fixed assets are recognised in profit or loss as incurred.

### Depreciation

No depreciation is charged on land. Depreciation is charged on straight-line method. Charging depreciation against fixed assets commences from the month of acquisition (for full month) and ceases at the month when the assets are disposed. Asset category-wise depreciation rates are as follows:

Category of assets	Rate of depreciation
Building	5.00%
Furniture and fixtures	20.00%
Equipment	20.00%
Computers and accessories	20.00%
Motor vehicles	16.67%

Gain or loss on sale of fixed assets is recognised in profit and loss statement as per provision of IAS 16 "Property, Plant and Equipment".

### Construction work in progress/Building under Construction

Building under construction is recognized and reported under Fixed Assets as per IAS 16 "Property, Plant and Equipment" as Construction work in progress until the construction work is completed and the assets is ready for intended use. This asset is stated at cost and depreciation of the asset will be charged from the date of its intended use.

### Intangible Asset

**a. Goodwill:** Goodwill that arises upon the acquisition of subsidiaries is included in intangible assets. Acquisitions of Minority interest (non-controlling interest) are accounted as transactions with equity holders in their capacity as equity holders and therefore no goodwill is recognised as a result of such transactions. Subsequently goodwill is measured at cost less accumulated Impairment Losses.

**b. Software:** Software acquired by the Bank is stated at cost less accumulated amortisation and accumulated impairment losses.

**c. License:** Value of license is recognised at cost and since it has an indefinite useful life it is not amortized. The value of the license is not measured at fair value.

### 3.1.9 Leased assets

#### IFRS 16 Leases

Bank Asia recognise the right of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right of use asset is depreciated using the straight line methods from the commencement date to the earlier of the end of the useful life of the right of use asset or the end of the lease term. The right of use asset is reduced by impairment losses as per IAS 36, and adjusted for certain measurements of the lease liability if any.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date and discounted using the incremental borrowing rate.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is change in estimate of the amount expected to be payable under a residual value guarantee, or if changes its assessment of whether it will exercise purchase, extension or termination option.

## Notes to the financial statements

When the lease liability is measured in this way, a corresponding adjustment is made to the carrying amount of the right to use asset, or is recorded in profit or loss if the carrying amount of the right of use asset has been reduced to zero.

The Bank may elect not to apply the IFRS 16 for short-term leases; and leases for which the underlying asset is of low value.

### 3.1.10 Impairment of fixed assets

At each balance sheet date, the Bank assesses whether there is any indication that the carrying amount of an asset exceeds its recoverable amount. An asset is carried at more than its recoverable amount if its carrying amount exceeds the amount to be recovered through use or sale of the asset. If this is the case, the asset is described as impaired and an impairment loss is recognised as an expense in the profit and loss statement unless the asset is carried at revalued amount in accordance with International Accounting Standard (IAS) 16, Property, Plant and Equipment in which case any impairment loss of a revalued asset should be treated as a revaluation decrease under that Accounting Standard. No impairment loss was recognized up to the reporting period as there were no such indication existed as on Balance Sheet date.

### 3.1.11 Investment properties

a) Investment property is held to earn rentals or for capital appreciation or both and the future economic benefits that are associated with the investment property but not held for sale in the ordinary course of business.

b) Investment property is accounted for under cost model in the financial statements. Accordingly, after recognition as an asset, the property is carried at its cost, less accumulated depreciation and accumulated impairment loss.

### 3.1.12 Other assets

Other assets include all other financial assets and include fees and other unrealised income receivable, advance for operating and capital expenditure and stocks of stationery and stamps.

### 3.1.13 Inventories

Inventories are measured at the lower of cost and net realisable value.

## 3.2 Liabilities and provisions

### 3.2.1 Borrowings from other banks, financial institutions and agents

Borrowings from other banks, financial institutions and agents include interest-bearing borrowings redeemable at call and Bangladesh Bank refinance. These items are brought to financial statements at the gross value of the outstanding balance.

### 3.2.2 Deposits and other accounts

Deposits and other accounts include non interest-bearing current deposit redeemable at call, bills payable, interest bearing on demand and special notice deposits, savings deposit, fixed deposit and scheme deposit. These items are brought to financial statements at the gross value of the outstanding balance.

As per IAS 37 "Provisions, Contingent Liabilities and Contingent Assets" the Bank recognizes provisions only when it has a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and when a reliable estimate of the amount of the obligation can be made.

### 3.2.3 Other liabilities

Other liabilities comprise items such as provision for loans and advances/investments, provision for taxes, interest payable, interest suspense, accrued expenses, obligation under finance lease etc. Other liabilities are recognised in the balance sheet according to the guidelines of Bangladesh Bank, income tax laws and internal policy of the Bank.

## 3.3 Capital/shareholders' equity

### Authorised capital

Authorised capital is the maximum amount of share capital that the Bank is authorised by its Memorandum and Articles of Association.

### Paid-up capital

Paid up capital represents total amount of share capital that has been paid in full by the ordinary shareholders. Holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to vote at shareholders' meetings. In the event of winding-up of the company, ordinary shareholders rank after all other shareholders and creditors and are fully entitled to receive any residual proceeds of liquidation.

### Statutory reserve

As per section 24 of the Bank Company Act 1991 (amended upto 2023) Statutory reserve has to be maintained @ 20% of profit before tax equal to its paid-up capital together with the share premium. Bank has maintained adequate reserve in this regard.

### Revaluation reserve

Revaluation reserve arises from the revaluation of Treasury bills and bonds (HFT and HTM) in accordance with the Bangladesh Bank DOS circular no. 5 dated 26 May 2008. The tax effects on revaluation gain are measured and recognised in the financial statements as per IAS 12 "Income Taxes".

When an fixed asset's carrying amount is increased as a result of revaluation, the increased amount has been credited directly to equity under the head of revaluation reserve as per IAS 16 "Property, Plant and Equipment". The revaluation surplus included in equity transferred directly to retained earnings with the amount of the surplus from the difference between depreciation based on the revalued carrying amount

## Notes to the financial statements

of the asset and depreciation based on the asset's original cost as per the para 41 of IAS 16.

### Non-controlling (minority) interest

Minority interest (non-controlling interest) in business is an accounting concept that refers to the portion of a subsidiary company's stock that is not owned by the parent company. The magnitude of the minority interest in Bank Asia Securities Limited, a majority owned subsidiary (99.99%) of Bank Asia PLC. is very insignificant. Minority interest belongs to a sponsor Director of the Bank and is reported on the consolidated balance sheet to reflect the claim on assets belonging to the other non-controlling shareholder. Also, minority interest is reported on the consolidated income statement as a share of profit belonging to the minority shareholder.

### 3.4 Contingent liabilities

Any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Bank; or any present obligation that arises from past events but is not recognised because:

- it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- the amount of the obligation cannot be measured with sufficient reliability.

Contingent liabilities are not recognised but disclosed in the financial statements unless the possibility of an outflow of resources embodying economic benefits is reliably estimated.

Contingent assets are not recognised in the financial statements as this may result in the recognition of income which may never be realised.

### 3.5 Memorandum items

Memorandum items are maintained for those items for which the Bank has only a business responsibility and no legal commitment.

### 3.6 Revenue recognition

In line with IFRS 15 revenue and disclosure in the financial statements the income of the bank has been recognized as follows

#### Interest income

Interest on loans and advances is calculated on daily product basis, but charged and accounted for on quarterly basis. Interest on loans and advances ceases to be taken into income when such advances fall under classification. It is then kept in interest suspense account. Interest on classified loans and advances is accounted for on a cash receipt basis.

#### Profit on investment (Islamic Banking)

Mark-up on investment is taken into income account proportionately from Unearned Income account. Income/compensation on classified investments is transferred to profit/rent/compensation/suspense account instead of income account.

#### Investment income

income on investments is recognised on accrual basis. Investment income includes discount on treasury bills and zero coupon bonds, interest on treasury bonds, debentures and fixed deposits with other banks. Capital gain on investments in shares and dividend on investment in shares are also included in investment income.

#### Interest and fees receivable on credit cards

Interest and fees receivable on credit cards are recognised on accrual basis. Interest and fees ceases to be taken into income when the recovery of interest and fees is in arrear for over three months. Thereafter, interest and fees are accounted for on cash basis.

#### Fees and commission income

The Bank earns fees and commissions from diverse range of services provided to its customers. This includes fees and commission income arising on financial and other services provided by the Bank including trade finance, credit cards, debit cards, passport endorsement, loan processing, loan syndication and locker facilities, etc. Fees and commission income is recognised on the basis of realisation.

#### Dividend income on shares

Dividend income from investment in shares is recognised when the Bank's right to receive dividend is established. It recognised when:

- It is probable that the economic benefits associated with the transaction will flow to the entity; and
- the amount of the revenue can be measured reliably.

#### Interest paid on borrowing and other deposits (conventional banking)

Interest paid and other expenses are recognised on accrual basis.

#### Profit paid on deposits (Islamic Banking)

Profit paid to mudaraba deposits is recognised on accrual basis according to Income Sharing Ratio (ISR).

#### Other operating expenses

All other operating expenses are provided for in the books of the account on accrual basis according to the IAS 1 "Presentation of Financial Statements".

### 3.7 Employee benefits

#### 3.7.1 Provident Fund

As per BRPD circular no. 10 dated 18 September 2007, the Bank has maintain provision @ 1% against off-balance sheet exposures complying BRPD Circular No. 07, dated 21 June 2018 and BRPD circular letter no. 01 dated 03 Jan 2018, BRPD Circular no. 06, dated 25 April 2023 and subsequent issued circular and amendments.

## 3.9 Provision for nostro accounts

According to guidelines of Foreign Exchange Policy Department of Bangladesh Bank, circular no. FEOD (FEMO)/01/2005-677 dated 13 September 2005, Bank is required to make provision regarding the un-reconciled debit balance as at balance sheet date.

## 3.10 Taxation

Income tax expense comprises current and deferred tax. Current tax and deferred tax are recognised in profit or loss except to the extent that it relates to items recognised directly in equity.

### Current tax

Current tax is the expected tax payable or receivable on the taxable income or loss for the period, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

### Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognised for the temporary differences relating to the initial recognition of goodwill, the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss, and differences relating to investments in subsidiaries to the extent that it is probable that they will not reverse in the foreseeable future. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities against current tax assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

A deferred tax asset is recognised for unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax relating to unrealised surplus on revaluation of held to maturity (HTM) securities is recognised directly in revaluation reserve as a part of equity and is subsequently recognised in profit and loss statement on maturity of the security.

## 3.11 Earnings Per Share

Earnings per share (EPS) has been computed by dividing the basic earnings by the weighted average number of ordinary shares outstanding as per International Accounting Standard (IAS) - 33 "Earnings Per Share". EPS for comparative period also restated by the bonus share if issued. Details are in note 37.

### Basic earnings

This represents earnings for the year attributable to ordinary shareholders. Net profit after tax has been considered as fully attributable to the ordinary shareholders.

### Weighted average number of ordinary shares

This represents the number of ordinary shares outstanding at the beginning of the year plus the number of ordinary shares issued during the year.

The basis of computation of number of shares is in line with the provisions of IAS 33 "Earnings per share". The logic behind this basis is, that the bonus shares are issued to the existing shareholders without any consideration, and therefore, the number of shares outstanding is increased without an increase in resources generating new earnings.

### Diluted earnings per share

No diluted earnings per share is required to be calculated for the year as there was no scope for dilution during the year under review. It is pertinent to mention that, potential ordinary shares is in convertible subordinate bond that may entitle their holders to ordinary shares.

## Notes to the financial statements

### 3.12 Reconciliation of inter-bank/inter-branch account

Books of account with regard to inter-bank (in Bangladesh and outside Bangladesh) are reconciled on monthly basis and there are no material differences which may affect the financial statements significantly.

Un-reconciled entries in case of inter-branch transactions as at the reporting date are not material.

### 3.13 Risk Management at Bank Asia Ltd.

Being a financial institution, in the ordinary course of business, the bank is sensitive to varieties of risks. The generic severity of such risk(s) is much intense in our locality due to presence of large number of banks and complex financial transactions. In such highly competitive environment to ensure a bank's consistent system and performance, the presence of strong Risk Management culture is obligatory.

The Board of Director and Senior Management of the bank need to remain positive toward adaptation of active risk management culture throughout the bank. Such awareness (risk) has helped the bank to do more than just regulatory compliance as far as risk management practice is concerned, the consequence of such initiatives has helped the bank to safeguard valuable capital and ensure consistent profitability, through avoiding excessive credit, market and operation loss and inadequate capital allocation under Basel III. Being compliant, the bank is now looking forward to take risk management practice to a different level, i.e. preventing risk before occurrence rather than a reactive manner; on a proactive basis.

As a part of regulatory and global benchmarking the bank has based upon 06 (six) core risks guidelines of Bangladesh Bank and Basel framework. Listed below are the identified risks the bank is currently managing or intends to manage in the future:

SI	Core Risk Guideline of BB	Basel Accord	Pillar
1	Credit Risk	Credit Risk	Pillar - I
2	Foreign Exchange Risk	Market Risk	
3	Asset Liability Risk	Operational Risk	
4	Money Laundering Risk	Residual Risk	Pillar - II
5	Internal Control & Compliance Risk	Credit Concentration Risk	Pillar –II
6	Information and Communication Technology Risk	Liquidity Risk	Pillar –II
7		Interest Rate Risk in Banking Book	Pillar –II
8		Settlement Risk	Pillar –II
9		Reputation Risk	Pillar –II
10		Environmental and climate change risk	Pillar –II
11		Strategic Risk	Pillar –II
12		Pension Obligation Risk	Pillar –II
13		Compliance Risk	Pillar –II

In view of core risk guideline the bank has established various departments to address specific risks, e.g. credit risk management, credit admin, internal control and compliance department, anti-money laundering department etc. Further to manage the overall risks of the bank in line of Basel the bank has formed a dedicated Risk Management Division.

Accordingly the bank has various high powered committees to monitor and ensure smooth risk management activities. For example, Senior Management Team (SMT), Asset Liability Committee (ALCO), Credit Committee (CC), Audit Committee, Executive Risk Management Committee, Supervisory Review Process Team etc.

The current risk management framework of the bank is as follow:

**Credit Risk Management:** Credit risk can be defined as risk of failure of customer/counterparty of the bank to meet financial obligations. Another major source of credit risk could be concentration risk, which arises when a bank's credit portfolio tend to be non diversified i.e. large single borrower exposure or lending exposure to clients having similar economic factors (single sub-sector, industry, geographic region etc) that would adversely impact the repayment ability of mass obligor during any possible economic downturn.

To ensure the portfolio health, the bank has distributed the overall credit concentration among different segments/industry/trading. For example, branches are primarily responsible for sourcing of potential clients and initiate limit (credit) approval process for review of Credit Risk Management Division (CRMD), this division (CRMD) ensure the quality of credit proposal before limit approval, a separate division known as Credit Administration (CAD) monitors the documentation aspects of approved credits and finally the Legal Recovery Department manages the deteriorating accounts. It is mentionable that the bank has own credit risk management guideline.

All other remaining risk in regards to credit portfolio are addressed by the Risk Management Division (RMD), the primary responsibility of this Division is to identify and assess the severity of risks and highlight the same to the management for strategic decision making. Below are risk wise list of few global model that RMD is currently using or intends to use in the future:

Residual Risk (e.g. wrong valuation of collateral, documentation error etc)	Capital computation under Pillar –II using the foundation Internal Rating Based (FIRB) approach
Concentration Risk	Herfindahl-Hirschman Index ( HHI) index, Shannon's Index (SI) and Gini coefficient (GI)

**Foreign Exchange Risk Management:** The Foreign Exchange Risk arises from transaction involvement in any other national currency. Providing major foreign exchange related transactions are carried out on behalf of client thus bank has minimal exposure to the captioned risk. It is mentionable that the bank do not involve in any speculative transactions.

## Notes to the financial statements

The treasury division independently conducts the transactions and back office is responsible for verifying the deal and passes necessary accounting entries. As advised by Bangladesh Bank on month end all foreign exchange related transactions are revalued at mark-to-market rate. All Nostro accounts are reconciled on daily basis and outstanding entries beyond 30 days are reviewed by management for settlement. It is mentionable that bank management is looking forward to establish treasury mid office to effectively perform the reconciliation activities.

At present Bank assess daily Value-at-Risk (VaR) based on exponential weighted average method using web based platform for foreign exchange risk more effectively.

**Asset Liability Management:** The Asset Liability Risk is comprises of Balance Sheet Risk and liquidity risk. The Balance Sheet risk refers to risk of change in earning and/or devaluation of asset due to interest rate movement. The liquidity risk can be defined as the risk or chance of failure to meet up any withdrawal/disbursement request by a counterparty/client. ALCO reviews liquidity requirements of the Bank, maturity of assets and liabilities, deposit and lending pricing strategy and the liquidity contingency plan. The Asset Liability Committee also monitors balance sheet risk.

Risk assessment tools in regards to ALM risk management are as follow:

Equity investment risk	Value-at-risk (VaR) on equity position
	Liquidity Coverage Ratio (LCR)
Liquidity Risk	Net Stable Funding Ratio (NSFR)
	Stress Testing (Duration and Sensitivity Analysis)
Interest Rate Risk	Assessment of Interest Rate Risk in Banking Book

**Prevention of Money Laundering:** Money laundering risk is defined as the loss of reputation and expenses incurred as penalty for being negligent in prevention of money laundering. For mitigating the risks, the Bank has nominated a Chief Compliance Officer at Corporate Office and Branch Compliance Officers at branches, who independently review the accounting transactions to locate and verify suspicious transactions. Know Your Customer (KYC) policy and Transaction Profile (TP) format have been introduced. The regulatory requirements are being complied with and the guidelines in respect of KYC are being followed for opening of new accounts. Training is being provided continuously to all the categories of executives and officers for developing awareness and skill for identifying suspicious activities.

**Ensuring internal control and compliance:** Operational loss arising from error and fraud due to lack of proper internal control and compliance. Internal Control and Compliance Department undertakes periodical and special audit and inspection of the branches and departments at corporate office for identifying and reviewing the operational lapses and compliance of statutory requirements as well as Bank's own guidelines. The Audit Committee of the Board reviews the audit and inspection reports periodically and provides necessary instructions and recommendations for rectifications of lapses and observations identified by the audit team.

Further to above the bank is in the process of developing various globally recognized operational risk identification processes through the Risk Management Division. For example adaptation of

Risk Control Self Assessment (RCSA) for assessing all possible operational risks based on operational process review and previous experiences before occurrence of any such event.

Using the Key Risk Indicator (KRI) approach to identify operational risk trigger points.

**Managing information and communication Technology Risk :** Bank Asia PLC. follows the guideline stated in DFIM circular no. 6 dated 21 June 2010 regarding "Guideline on ICT Security for Banks and Financial Institutions, April 2010". IT management deals with IT policy documentation, internal IT audit, training etc. The core objective of IT management is to achieve the highest levels of technology service quality and minimize possible operational risk. Physical security involves providing environmental safeguards as well as controlling physical access to equipment and data. IT department has controls over Password, User ID maintenance, input control, network security, virus protection, internet and e-mail. Data centre has been set up and disaster recovery plan has been formulated as part of Business Continuity Planning (BCP).

**All other risk management:** These are risks that are not directly covered by core risk guidelines of Bangladesh Bank, more precisely additional risk under Pillar II of Basel III. The Risk Management Division is primarily responsible for assessing and developing controls for managing these risks. In order to do so the RMD of the bank is performing various exercises like assessment of quality Risk Weighted Assets of the Bank, Stress Testing to assess the sensitivity of the bank against adverse scenarios is performed, additional capital (on top of MCR under Pillar –II) will be assessed using a model namely Internal Capital Adequacy Assessment Process (ICAAP), perform the capital reporting model etc.

On top of assessment the RMD of the bank is reporting these risks to senior management (through BRMC); which are ultimately aiding the bank to allocate adequate capital in line with Basel III requirement and at the same time implant active strategies to precisely manage all potential risks of the bank.

### 3.14 Events after reporting period

- (a) that engages in business activities from which it may earn revenues and incur expenses (including revenues and expenses relating to transactions with other components of the same entity)
- (b) whose operating results are regularly reviewed by the entity's chief operating decision maker to make decisions about resources to be allocated to the segment and assess its performances, and
- (c) for which discrete financial information is available.

Bank reported its segments in respect of business segment and geographical segment. Business segments are comprised of Conventional Banking, Islamic Banking, Off-shore Banking, Bank Asia Securities Limited, BA Exchange Company (UK) Limited and BA Express USA Inc. Geographical segments report consist of location wise performance of above segments.

### 3.18 Changes in Accounting Policies

As per IAS 8 "Accounting Policies, Changes in Accounting Estimates and Errors" Accounting Policies are applied consistently for comparability between financial statements of different accounting periods. Changes in Accounting Policies are applied retrospectively in the financial statements. Comparative amounts presented in the financial statements affected by the change in accounting policy for each prior period presented.

### 3.19 IFRS 15 - Revenue from Contract with Customers

IFRS 15 "Revenue from Contracts with Customers" replaces IAS 18 Revenue and IAS 11 Construction Contracts. IFRS 15 establishes a more systematic approach for revenue measurement and recognition by introducing a five-step model governing revenue recognition. The five-step model includes: 1) identifying the contract with the customer, 2) identifying each of the performance obligations included in the contract, 3) determining the amount of consideration in the contract, 4) allocating the consideration to each of the identified performance obligations and 5) recognising revenue as each performance obligation is satisfied. The Bank has consistently applied the accounting policies as set out in Note 3 to all periods presented in these financial statements.

<b>18.6 Workers' profit participation fund (WPPF)</b>		
As per Bangladesh Labour Act 2006, all companies falling within the scope of WPPF are required to provide 5% of its profit before charging such expense to their eligible employees within the stipulated time. Bank obtained opinion from legal advisor regarding this issue which stated that the Bank is not required to make provision for WPPF as it is not within the scope of WPPF. As such the Bank did not make any provision during the year for WPPF.

# Bank Asia PLC. Islamic Banking Operations

Annex G

as at and for the year ended 31 December 2025

The operation of our Islamic Banking is totally different from the Bank's conventional operation as the former operates their business on the basis of Islamic Shariah. Accounting system is vital for ensuring Shariah compliance in such banking operation. Our Islamic Banking operation is committed to follow the accounting principles that refrain from interest. In a nutshell, we follow under noted principles for accounting under its Islamic Banking umbrella, run through a separate Islamic Banking software namely i-HIKMAH.

## 1. Deposit Collection and income Sharing Ratio (ISR) based Profit Distribution

For procuring funds from depositors, our Islamic Banking follows Al-Wadeeah and Mudaraba principles. Fund which is deposited with Banks by the depositors with clear permission to utilize/Invest the same is called Al-Wadeeah. On the other hand, Mudaraba principle implies that the Bank receives deposits from the depositors with the authority that the Bank will have exclusive right to manage the fund and the profit resulting from such deposits will be shared between the Bank and the depositor at a pre-agreed ratio. Loss (if any), not resulting from the negligence of the Bank or any of its representative, will be borne by the depositors. In case of Al-Wadeeah Account, no profit is allowed at present. But for Mudaraba depositors, Bank Asia is providing profit under Weightage System as follows;

Under this System, product wise Weightage are being declared for all Mudaraba Deposits and the Depositors must be agreed on Weightage while making Mudaraba contract (Account opening). A provisional profit rate is also declared which is to be adjusted at the time of finalization of the accounts after the end of the accounting year. Bank revalues the deposit as per weightage while calculating the final profit rate. Weightage must be declared at the beginning of the year and to be duly disclosed to the Mudaraba depositors.

### The Weightage declared on Mudaraba deposits for the year 2025

## 2. Investment Operation and Return Thereon

Investments of our Islamic Banking are broadly categorized in the following two types in respect of charging (rate of) return:

- a. Fixed return based investment
- b. Variable return based investment

Fixed return based investment system is applicable for our Bai-Murabaha Muajjal Investment mode. Under this mode, Bank sells the goods to a client at a fixed profit /mark-up on deferred payment including post import basis. Hire Purchase Shirkatul Melk (HPSM) is also a fixed return based investment mode. In this case rate of rent is fixed but amount of rent becomes variable on the basis of diminishing balance method.

Variable return based income is applied for our Musaharaka mode of investment. In these cases, only ratio of Income Sharing is stated in the agreement. Bank earns income on the basis of the concerned venture according to the agreed ratio (comparable to our Mudaraba deposit products). Genuine loss, if any, is borne according to capital ratio of the client & the Bank.

## 3. Income/ Revenue Recognition Principle

The bank earns income from various sources such as charges, fees, commission and investment income. To recognize all sorts of income, Bank follows Shariah principle strictly. Usually charges, fees & commission etc. are recognized on actual basis. Recognition of income from investment follows principles as under:

### For Bai-Murabaha Muajjal Investment

While creating each deal, in case of Bai-Murabaha Muajjal mode of investment, markup/profit is added to the bank's purchase cost with a credit to unearned income A/c. Thereafter time apportionment of profit is recognized out of the unearned income amount at the end of each month on accrual basis. Allowance (rebate) for early repayment, if any, may however be applied at Bank's discretion.

### For Hire Purchase Shirkatul Melk (HPSM) Investment

In case of HPSM mode of investment rent is charged and taken into income account at the end of each month on accrual basis.

If the account has a provision of gestation period, generally no income is earned during the period. In this case income starts just after the end of gestation period. However rent is chargeable in spite of gestation, if the delivery of asset is completed in usable condition such as a machine or a set of machinery or building etc.

All accrual income is subject to prevailing classification and provisioning rules of Bangladesh Bank.

### For Musharaka Investment

In recognizing the revenue from Musharaka Investment we follow the actual (cash/ realization) basis instead of accrual i.e. no income is recognized until the result of the venture is arrived at.

## 4. Cost Recognition Principle

Cost in respect of profit paid on deposit is recognized on accrual basis. Monthly accruals in this respect are calculated on the basis of Income Sharing Ratio. Other costs are also recognized on the accrual basis following the matching concept of Accounting.

To ensure/ supervise Shariah compliance in banking operation, Bank Asia has a knowledgeable Shariah Supervisory Committee comprising renowned Fuqaha, Islamic bankers and academicians conversant in Islamic Economics & Finance.

# Off-shore Banking Unit (OBU) Notes to the Financial Statements

Annex H-2

as at and for the year ended 31 December 2025

## 1 Status of the unit

Off-shore banking Unit (“the Unit”) is a separate business unit of Bank Asia PLC., governed under the Rules and Guidelines of Bangladesh Bank. The Bank obtained the Off-shore banking unit permission vide letter no.BRP-D(P-3)744(94)/2007-1853 dated 21 June 2007 under Bangladesh Bank BCD Circular No. (P) 744(27), dated 17 December, 1985. The Bank commenced the operation of its Off-shore Banking Unit from 28 January 2008 and its office is located at Zone Service Complex, Chittagong Export Processing Zone, Chittagong.

## 2 Significant accounting policies and basis of preparations

### 2.1 Basis of preparation

The financial statements are prepared on the basis of a going concern and represent the financial performance and financial position of the Off-shore Banking Unit (OBU). The financial statements of the OBU are prepared in accordance with the Bank Companies Act 1991, in particular, Banking Regulation and Policy Department (BRPD) Circular No. 14 dated 25 June 2003, Bangladesh Bank BRPD Circular No. 02 dated 25 February 2019 & subsequent amendment circulars, other Bangladesh Bank Circulars, Bangladesh Financial Reporting Standards (BFRSs) and other rules and regulations where necessary.

### 2.2 Foreign currency

Items included in the financial statements of the Unit are measured using the currency of the primary economic environment in which the entity operates (“the functional currency”). The financial statements of the Unit are presented in US Dollar (USD) and Taka where USD is the functional currency and Taka are the Unit’s presentation currency.

### 2.3 Loans and advances

a) Loans and advances are stated in the balance sheet on gross basis.

b) Interest is calculated on daily product basis, but charged and accounted for quarterly on accrual basis. Interest on classified loans and advances/investments is kept in interest suspense account as per BRPD circulars no. 16 of 1998, 9 of 2001 and 10 of 2005 and recognised as income on realisation. Interest is not charged on bad and loss loans and advances/investments as per guidelines of Bangladesh Bank. Records of such interest amounts are kept in separate memorandum accounts.

c) As per BRPD circular no. 16 dated 18 November 2014, BRPD Circular 14 dated 23 September 2012, BRPD Circular no. 19 dated 27 December 2012 and BRPD Circular no. 05 dated 29 May 2013, provision for sub-standard loans, doubtful loans and bad loss loans has to be provided at 20%, 50% and 100% respectively for loans and advances depending on the duration of overdue. Provision for unclassified loan was made at the specified rate i.e. 0.25% to 5%

### 2.4 General

Assets and liabilities have been translated into Taka currency @USD 1 = BDT 124.45 (2024 : BDT 119.00). Income and expenses are translated at an average rate @ USD 1 = BDT 121.28 (2024 : BDT 115.33).

## Independent Auditor's Report to the Shareholders of Bank Asia Securities Limited

### Opinion

We have audited the financial statements of **Bank Asia Securities Limited**, which comprise the statement of financial position as at 31 December 2025, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at 31 December 2025, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and other applicable laws and regulations.

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standard Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and we have fulfilled our ethical responsibilities in accordance with the IESBA code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management of Bank Asia Securities Limited is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, the Companies Act 1994, the Securities and Exchange Rules 2020 and other application laws and regulations and such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

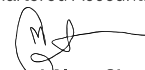

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, to communicate with them all relationship and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on other Legal and Regulatory Requirements**

In accordance with the Companies Act 1994 and Securities and Exchange Rules 2020, We also report the following:

- a) we have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our examination of those books;
- c) the statement of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account; and
- d) the expenditure was incurred for the purpose of the company's business.

The Company also performs the other activities relates to capital market as and when regulators permits the company to carry out activities as per their guidelines.

### 2. Basis of Preparation

#### 2.1 Statement of compliance

The financial statements of the Company are prepared on a going concern basis under historical cost conversion in accordance following International Financial Reporting Standards (IFRSs), The Companies Act-1994, and other laws and rules applicable in Bangladesh. Wherever appropriate, such principles are explained in succeeding notes.

#### 2.2 Components of the financial

The financial statements referred to here comprise:

- a) Statement of Financial Position;
- b) Statement of Profit or loss and Other Comprehensive income;
- c) Statement of Changes in Equity;
- d) Statement of Cash Flows; and
- e) Notes to the Financial Statements.

#### 2.3 Use of estimates and judgments

The preparation of financial statements in conformity with IFRS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the periods in which the estimate is revised and in any future periods affected.

#### Key estimates include the following:

- \* Property, Plant and Equipment
- \* Provision on margin loan and Investment in shares
- \* Deferred Tax Asset/Liabilities
- \* ROU assets and lease liabilities

#### 2.4 Statement of cash flows

Statement of Cash Flows has been prepared as per International Accounting Standard IAS-7 under direct method. The Cash Flow Statement shows the structure of and changes in cash and cash equivalents during the year. Cash Flows during the year have been classified as operating activities, investing activities and financing activities.

#### 2.5 Reporting period

These financial statements cover period from 1 January 2025 to 31 December 2025.

#### 2.6 Date of authorization

The Board of Directors accorded its approval and authorized these financial statements on 02 March 2026

#### 2.7 Functional and presentational currency

The financial statements are presented in Bangladesh Taka, which is the Company's functional currency.

#### 2.8 Share capital

Ordinary shares are classified as equity when there is no contractual obligation to transfer cash or other financial assets.

#### 2.9 Going concern

The Company has adequate resources to continue its operation for foreseeable future. For this reason the directors continue to adopt going concern basis in preparing the financial statements. The current credit facilities and adequate resources of the Company provide sufficient funds to meet the present requirements of its existing businesses and operations to continue.

#### 2.10 Investment in securities

These securities are bought and held primarily for the purpose of selling them in future or held for dividend incomes which are reported at cost value. Unrealized gains are not recognized in the profit and loss statement. But provision was made for diminution in value of investment as per BSEC guideline.

### **2.11 Provision, Contingent asset and contingent liabilities**

As per IAS-37 "Provisions, Contingent Liabilities and Contingent Assets" the Bank Asia Securities Limited recognizes provisions only when it has a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and when a reliable estimate of the amount of the obligation can be made.

Any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the Company; or any present obligation that arises from past events but is not recognized because:

\*It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or

\*The amount of the obligation cannot be measured with sufficient reliability.

Contingent liabilities are not recognized but disclosed in the financial statements unless the possibility of an outflow of resources embodying economic benefits is reliably estimated.

Contingent assets are not recognized in the financial statements as this may result in the recognition of income which may never be realized.

### **2.12 Taxation**

#### **Current tax**

Provision for current tax is made in accordance with the provision of Income Tax Act, 2023 and subsequent amendments made thereto from time to time.

#### **Deferred Tax**

Deferred Tax is calculated as per International Accounting Standard IAS-12 "Income Taxes". Deferred Tax is recognized on differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and are accounted for using the balance sheet liability method. Deferred Tax liabilities are recognized for all taxable temporary differences. Deferred Tax assets are generally recognized for all deductible temporary differences.

Deferred Tax is measured at the tax rate that is expected to be applied to the temporary differences when they reverse based on the laws that have been enacted or substantively enacted by the reporting date.

### **2.13 Branch Details**

The Company has a total six number of Branch offices, Three digital booth and One Extension Office (excluding Head Office), with no overseas branch as on December 31, 2025.

Accounts of the branches are maintained at the head offices which are included in the accompanying financial statements.

Details are given in Annexure-I.	

**3.5 Intangible assets**

**Computer software**

Computer software acquired by the Company which have finite useful lives are measured at cost less accumulated amortization.

**Subsequent costs**

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognized in profit or loss.

**Amortization of intangible assets**

Computer software are amortized @ 20% per annum in a straight-line method.

**3.6 Lease assets**

The company has applied "IFRS 16: Lease" using the modified retrospective approach.

**3.7 Advance, deposits and prepayments**

- Advances are initially measured at cost. After initial recognition, advances are carried at cost less deductions, adjustments or charges to other account heads such as property, plant and equipment etc.
- Deposits are measured at payment value.
- Prepayments are initially measured at cost. After initial recognition, prepayments are carried at cost less charges to Statement of Comprehensive Income.

**3.8 Advance Income tax**

The amount of advance income tax are mainly deduction at sources by DSE on daily transaction of broker & dealer operation. Tax deduction on interest income and dividend income are also included.

**3.9 Related party**

As per International Accounting Standards IAS-24 "Related Party Disclosures", A party is related to the company if:

- (i) directly or indirectly through one or more intermediaries, the party controls, is controlled by, or is under common control with, the company; has an interest in the company that gives it significant influence over the company; or has joint control over the company;
- (ii) the party is an associate;
- (iii) the party is a joint venture;
- (iv) the party is a member of the key management personnel of the Company or its parent;
- (v) the party is a close member of the family of any individual referred to in (i) or (iv);
- (vi) the party is an entity that is controlled, jointly controlled or significantly influenced by or for which significant voting power in such entity resides with, directly or indirectly, any individual referred to in (iv) or (v); or
- (vii) the party is a post-employment benefit plan for the benefit of employees of the company, or of any entity that is a related party of the company.

**3.10 Events after reporting period**

As per IAS-10 "Events after Reporting Period" are those events, favorable and unfavorable, that occur between the end of the reporting period and the date when the financial statements are authorized for issue. Two types of events can be identified:

- (a) those that provide evidence of conditions that existed at the end of the reporting period (adjusting events after the reporting period); and
- (b) those that are indicative of conditions that arose after the reporting period (no adjusting events after the reporting period).

### 3.11 Directors' responsibility statement

The Board of Directors takes the responsibility for the preparation and presentation of these financial statements as per section 183 of companies Act 1994.

### 3.12 Departures from IFRS

The Financial Reporting Council (FRC) has been formed, but no financial reporting standards have yet been issued as per the provisions of the Financial Reporting Act (FRA), 2015. Hence, the financial statements of the Company as at and for the year ended 31 December 2025 have been prepared in accordance with International Financial Reporting Standards (IFRSs) as adopted by The Institute of Chartered Accountants of Bangladesh (ICAB) and as per the requirements of the provisions, circulars, rules and regulations issued by the Bangladesh Securities and Exchange Commission (BSEC) and The Income Tax Act, 2023. In case any requirements of the BSEC provisions, circulars, rules and regulations differ from those of IFRS, the requirements of BSEC provisions, circulars rules and regulations shall prevail, and such departures from IFRS have been followed accordingly. In addition, there has been a departure from the provisions of IFRS-9 with regard to interest income. Material departures from the requirements of IFRS are as follows:

#### i) Provision for impairment of client margin loan

**IFRS:** In accordance with IFRS-9, an entity should recognize a loss allowance for expected credit losses on a financial asset and shall not reduce the carrying amount of the financial asset in the statement of financial position. The objective of the impairment requirements is to recognize lifetime expected credit losses for all financial instruments for which there have been significant increases in credit risk since initial recognition, whether assessed on an individual or collective basis considering all reasonable and supportable information, including that which is forward-looking. An entity shall directly reduce the gross carrying amount of a financial asset when the entity has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof.

**BSEC:** As per BSEC letter no. BSEC/SMMID/NE/AP/2025/108/638 dated November 16, 2025, provision has been made for impairment of margin loan arising out of year-end (31.12.2025) revaluation of shares purchased through margin loan complying with the relevant instruction. Bank Asia Securities Limited has opted for the option to maintain provision in accordance with the aforesaid Directives.

#### ii) Recognition of interest income from margin loan

**IFRS:** In accordance with IFRS-9, interest revenue should be calculated by using the effective interest method by applying the effective interest rate to the gross carrying amount of the financial asset. Interest income should be recognized when the financial asset is no longer credit-impaired and the improvement can be related objectively.

**Departure:** The Company recognized interest from margin loan when the loan is no longer credit-impaired. However, some margin loan interest was recognized as income from credit-impaired when the account become positive.

#### iii) Valuation of shares of DSE

**IFRS:** As per para-5.2.2 of IFRS-9, an entity shall apply the impairment requirements to financial assets that are measured at amortized cost in accordance with paragraph 4.1.2 of IFRS-9 and to financial assets that are measured at fair value through other comprehensive income in accordance with paragraph 4.1.2A of IFRS-9.

**Departure:** There is no active market for shares in DSE and the sale price to Strategic Investor, Shenzhen Stock Exchange (SZSE) and Shanghai Stock Exchange (SSE), has been determined through negotiation. The sale had to be made within the time limit as given in the Exchange Demutualization Act-2013 and approved by the Bangladesh Securities and Exchange Commission (BSEC). This was not a transaction in active market. And we strongly believe that with the involvement of the strategic partners and the development of capital market under the guidance of the BSEC, the share price of the exchanges will increase significantly.

Figures in these notes and in the annexed financial statements have been rounded off to the nearest Taka.

These notes form an integral part of the annexed financial statements and accordingly are to be read in conjunction therewith.

### 3.14 Application of International Accounting Standards (IASs):

The Financial Statements have been prepared in compliance with requirement of International Accounting Standards (IASs) as adopted by The Institute of Chartered Accountants of Bangladesh (ICAB) and applicable in Bangladesh. The following International Accounting Standards (IASs) are applicable for the financial statements for the period under review:

- IAS- 1 Presentation of Financial Statements
- IAS- 7 Statements of Cash Flows
- IAS- 8 Accounting Policies, Changes in Accounting Estimates and Errors
- IAS- 10 Events after the Reporting Period
- IAS- 12 Income Taxes
- IAS- 16 Properties, Plant and Equipment
- IAS- 19 Employees Benefit
- IAS- 24 Related Party Disclosure
- IAS- 32 Financial Instruments Presentation
- IAS- 33 Earning Per shares
- IAS- 37 Provisions, Contingent Liabilities and Contingent Assets
- IAS- 38 Intangible Assets

IFRS- 7 Financial Instruments : Disclosures;  
IFRS- 9 Financial Instruments  
IFRS- 13 Fair Value Measurement  
IFRS- 15 Revenue  
IFRS- 16 Lease

**3.15 Amended standards and interpretations:**

**IFRS 16 Leases**

The Company has applied “ IFRS 16: Lease” using the modified retrospective approach as per paragraph C8 of IFRS 16 with necessary adjustment as stated in IAS 8 and therefore the comparative information has not been restated and continues to be reported under IAS 17 and IFRIC 4 . IFRS 16 supersedes IAS 17 and applicable from January 01, 2019.

**Leases previously classified as operating leases**

- a) Bank Asia Securities Limited recognize a lease liability at the date of initial application for leases previously classified as an operating lease applying IAS 17 and measure that lease liability at the present value of the remaining lease payments, discounted using incremental borrowing rate at 9% at the date of initial application i.e. January 01, 2020.
- b) Recognize a right-of-use asset at the date of initial application for leases previously classified as an operating lease applying IAS 17 and choose, on a lease-by-lease basis, to measure that right-of-use asset; an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognized in the statement of financial position immediately before the date of initial application.

The right of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right of use asset is depreciated using the straight line methods from the commencement date to the earlier of the end of the useful life of the right of use asset or the end of the lease term. The right of use asset is reduced by impairment losses as per IAS 36, and adjusted for certain measurements of the lease liability if any.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date and discounted using the incremental borrowing rate.

The lease liability is measured at amortized cost using the effective interest method. It is premeasured when there is a change in future lease payments arising from a change in an index or rate, if there is change in estimate of the amount expected to be payable under a residual value guarantee, or if changes its assessment of whether it will exercise purchase, extension or termination option.

When the lease liability is measured in this way, a corresponding adjustment is made to the carrying amount of the right to use asset, or is recorded in profit or loss if the carrying amount of the right of use asset has been reduced to zero.

The Company may elect not to apply the IFRS 16 for short-term leases and leases for which the underlying asset is of low value.

# INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BA EXCHANGE COMPANY (UK) LIMITED

## Opinion

We have audited the financial statements of BA Exchange Company (UK) Limited for the year ended 31 December 2025 which comprise the Profit and Loss Account, Balance Sheet and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 - Section 1A for Small Entities "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2025 and of its profit/(loss) for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to smaller entities; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

## Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 13 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

## Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- The information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- The Directors' Report have been prepared in accordance with applicable legal requirements.

## Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Directors' Report and from the requirement to prepare a Strategic Report.

# INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF BA EXCHANGE COMPANY (UK) LIMITED

## Responsibilities of directors

As explained more fully in the Directors' Responsibilities Statement set out on page 2—3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

## Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters that we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2025

### 1 General Information

BA Exchange Company (UK) Limited is a private company, limited by shares, incorporated in England & Wales, registered number 07314397. The registered office is 131 Whitechapel Road, Ground Floor, London, E1 1DT.

### 2 Accounting Policies

#### 2.1 Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 section 1A Small Entities "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006.

#### 2.2 Going Concern Disclosure

The directors believe that the going concern basis is not appropriate as the company has no realistic alternative but to cease trading (or go into liquidation, or the directors intend to cease trading or place the company into liquidation) (Explain the basis of the conclusion and accounting policies applied in preparing the financial statements etc.)

The directors consider that the Company will be able to rely upon sufficient additional support from the parent undertaking for at least the next 12 month or by arranging funds by way of the inter company position the Board of the Bank has approved this, to allow the Company to be able to meet all its commitments as they fall due.

Therefore the directors consider that the going concern basis is appropriate in respect of the financial statements for the year ended 31 December 2025.

#### 2.3 Turnover

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the sale of goods and from the rendering of services. Turnover is reduced for estimated customer returns, rebates and other similar allowances.

##### Sale of goods

Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods has transferred to the buyer. This is usually at the point that the customer has signed for the delivery of the goods.

##### Rendering of services

Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs. Turnover is only recognised to the extent of recoverable expenses when the outcome of a contract cannot be estimated reliably.

##### Commission income

Income from remittance services is recognised when a customer gives instructions to the Company to make a remittance on their behalf.

#### 2.4 Tangible Fixed Assets and Depreciation

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Fixtures and fittings 25% Reducing balance basis

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to profit or loss.

#### 2.5 Financial Instruments

The Company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of comprehensive income.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate of the recoverable amount, which is an approximation of the amount that the Company would receive for the asset if it were to be sold at the reporting date.

Financial assets and liabilities are offset and the net amount reported in the Statement of financial position when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Changes in the fair value of derivatives that are designated and qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

# NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2025

## 2.6 Foreign Currencies

Monetary assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

### Functional and presentation currency

The Company's functional and presentational currency is GBP.

### Transactions and balances

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end foreign currency monetary items are translated using the closing rate. Non monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of comprehensive income except when deferred in other comprehensive income as qualifying cash flow hedges.

## 2.7 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit as reported in the statement of comprehensive income because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised on timing differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable timing differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible timing differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. Deferred tax liabilities are presented within provisions for liabilities and deferred tax assets within debtors. The measurement of deferred tax liabilities and assets reflect the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax are recognised in profit or loss for the year, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case current and deferred tax are recognised in other comprehensive income or directly in equity respectively.

## 2.8 Cash at bank and in hand

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

## 3. Turnover

100% Turnover of the company for the year ended 31 December 2025 (2024 - 100%) have arisen from within the United Kingdom.

## INDEPENDENT AUDITOR'S REPORT

### MONIS SIDDIQUI, CPA P.C.

Certified Public Accountants

#### REPORT OF INDEPENDENT PUBLIC ACCOUNTING FIRM

To the Stockholders and Board of Directors BA Express USA, Inc

Jackson Heights, New York

We have audited the accompanying financial statements of BA Express USA, Inc. (the "Company") (a New York corporation), which comprise the balance sheet as of December 31, 2025, and the related statement of operations, changes in stockholder's equity and cash flows for the year then ended and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of BA Express USA, Inc as of December 31, 2025, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2025

### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Nature of Business

BA Express USA, Inc (the "Company") is a New York Corporation formed on September 20, 2011 for the purpose of conducting business as an international money transmitter registered with the New York Department of Financial Services. The primary objective of the Company is to uphold the image and be a leading remittance service providing company in USA. The Company maintains its central office in Jackson Heights, New York. BA Express USA, Inc is a 100% owned subsidiary of Bank Asia PLC..

#### Basis of Accounting

The Company prepares its financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP). This basis of accounting involves the application of accrual accounting; consequently, revenues and gains are recognized when earned and expenses and losses are recognized when incurred.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

#### Cash and Cash Equivalents

For the purpose of reporting cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

#### Accounts Receivable

The Company performs credit evaluations of its customers and generally does not require collateral. The Company does not believe significant credit risks exist at December 31, 2025, with respect to its accounts receivable. The company uses direct write-off method to recognize bad debt expense.

#### Revenue Recognition (ASC 606)

The primary source of the Company's revenues is comprised of the transaction-based fees, which typically constitute a percentage of dollar volume processed, per transaction processed, or some combination thereof. Fees from money transfers are based on the principal amount of the transaction and location where the funds are to be transferred and is recorded as income at the time of the sale.

The secondary source of the Company's revenues is generated by buying and selling currency at favorable rates.

#### Foreign Currency Translation (ASC 830)

Accounts with balances denominated in currencies other than U.S. dollars are translated into U.S. dollars at applicable exchange rates as of the date of the transaction. Amounts denoted in a foreign are converted into U.S. dollars, and the exchange differences are included in the costs and revenues under the related account.

#### Furniture, Equipment and Leasehold Improvements (ASC 360)

Furniture, Equipment and Leasehold Improvements are stated at cost, less accumulated depreciation. Depreciation is recorded using a straight-line method over the estimated useful lives of the assets. When assets are retired or otherwise disposed of, the cost and the related accumulated depreciation is removed from the accounts and any resulting gain or loss is recognized. The cost of maintenance and repairs is charged to expense as incurred; significant renewals and betterments are capitalized.

#### Income Taxes (ASC 740)

No provision for income taxes has been made in the financial statements. The Company has no net operating loss carryforwards for federal income tax purposes as of December 31, 2025. Because the future utilization of these tax carryforward losses is uncertain, no related deferred tax asset has been reflected in the accompanying financial statements.

Management of the Company did not identify any uncertain tax positions taken or expected to be taken in an income tax return which would require adjustment to or disclosure in its financial statements. The Company's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the date on which those returns are filed.

### NOTE 2: FAIR VALUE OF FINANCIAL INSTRUMENTS (ASC 820)

The Company's financial assets and liabilities are carried at fair value, or are carried at amounts which approximate fair value as the market value of such items is not materially sensitive to shifts in market interest rates due to the limited term to maturity of these instruments.

The Company adopted SFAS No. 157, which defines fair value is the price that would be received from selling an asset or paid to transfer a liability

For the Year Ended December 31, 2025

in an orderly transaction between market participants at the measurement date. When determining fair value measurements for assets and liabilities required or permitted to be recorded at fair value, the Company considers the principal or most advantageous market and assumptions that market participants would use when pricing the asset or liability.

The Company categorizes the fair value of its financial assets and liabilities according to the hierarchy established by the Financial Accounting Standards Board, which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

**Level 1:** Applies to assets or liabilities for which there are quoted prices in active markets for identical assets or liabilities. These Level 1 assets represent quoted prices in active markets and, therefore, do not require significant management judgment.

**Level 2:** Applies to assets or liabilities for which there are inputs other than quoted prices included within Level 1 that are observable, either directly or indirectly, for the asset or liability such as: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in less active markets; or other inputs that can be derived principally from, or corroborated by, observable market data.

**Level 3:** Valuations based on inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The recorded values of accounts receivable, accounts payable, and accrued liabilities approximate fair values due to their short maturities. Unrealized gains and losses are included in earnings and are reported in the Statement of Income as a component of other income and losses. Generally, for all trading securities, fair value is determined by reference to quoted market prices and other relevant information generated by market transactions. As of December 31, 2025, the Company was liquid in its security positions.
